

Product Quick Info

NEW

EXTREMULTUS

High efficiency flat belts

GT 5S
blue/orange

Applications

- Textile Industry Spindle Tape

Advantages:

- Industry standard join compatible with existing tools and cements
- Proven performance in trials on various spinning frames
- Extremely competitive price
- Delivery ex stock Malaysia

Basic technical data

Electrostatic Properties	Antistatic
Top Face (Pulley side)	Blue NBR
Article no.	854904
Whirl side (Friction Coating)	Orange Nylon
Total thickness (mm)	0,6 +/- 0,03 mm
Weight (kg/m²)	0,540 +/- 0,03 kg
Tensile Force for 1 % elongation	1,7 N/mm belt width
Production sizes	200 m x 300 mm

Sketch of cross-section (not actual size)
