

Move it with Forbo.

Paper is a versatile product. Forbo Siegling conveyor and flat belts make sure it stays that way.

Our specialized belts convey, fold and process printed and unprinted paper in nearly all areas of the paper, printing and packaging industry. New, thermoplastic tension members, combined with extremely abrasion-resistant surfaces enhance the potential of complex machinery. The efficient Z-splice provides the flexibility required and durability in small end radii. Just trust our international experience. Simply the better solution: Siegling Extremultus flat belts and Siegling Transilon conveyor belts. **Versatile and powerful.**
