

Move it with Forbo.

Whether it's elegant silk or finest viscose — there's nothing too complicated for Siegling Transilon printing blankets.

Our experience enables you to transform any design into flawless textile prints. The printing blankets are able to master rotary printing with more than 18 stations and high speed flat-bed printing. The new ultra strong Aramide fabric construction guarantees repeat accuracy. The simple and safe splice and the chemical resistance of the blankets provide for optimal efficiency. Simply the better solution: Siegling Transilon printing blankets.

As versatile as they are precise.
